## Special Appeal for the HNDL Computer System in Lourdes

At the annual Reunion of the Hospitalité in Birmingham on 14 November 2015 the HNDL President told us that HNDL's real material need was a better computer system – they needed a significant upgrade of the Systeme Informatique. British members who work in the Bureau have confirmed that the system is “shot”. The requirement is of the order of €100,000 but we suspect more may be required.

The BHT Trustees agreed that for the 3 years starting 2016 they would allocate £1800 towards this project and, as announced at the Reunion, that we would ask members if they felt able to support a special appeal for this purpose.

If you feel that you can support the appeal, please complete the form below and send it to John Dick, Treasurer BHT, 1 Little Green Lane, Farnham, Surrey, GU9 8TE:
